ABOUT US

At FrankLynn Visual Marketing (FLVM), we believe great events can transcend the celebratory moment and live on forever to deliver lasting connections and memories.

Led by Creative Director, Lead Designer, and Strategist Frank Clemente, we are determined and driven to imagine winning and engaging, one-of-a-kind experiences that connect people and places.

OUR APPROACH

Our dazzling visual design and full-service event production team create elegant, lively, and unique experiences that spark the senses and tap into the power of connection.

We listen to our client's desires and hone in on the big picture with a measured approach that is deliberate in the details, and that captures the core essence of their needs and specific personality. As a result, our experiences are visually stunning, creative, unique, and uncommon.

A GOOD PARTY LIVES FOREVER.

What will make your event rise above the overloaded and noisy world to create lasting connections and memories?
